

I, the parent or guardian, request admission into Future Elite Academy for my student beginning September 2020. I agree to the following conditions governing admission and attendance as stated below:

Parties & Purpose

This contract is between Future Elite Academy and the person(s) whose signatures appear elsewhere on this document. The purpose of this contract is set forth the payment obligations with respect to tuition and related fees and costs associated with Future Elite Academy.

Acceptance

This contract is accepted by the school and becomes binding once it has been signed by the student’s parents, guardians, or other responsible adult who commits to pay the costs of education for the academic year.

Cancellation (prior to August 31st)

This contract may be cancelled only if the school is notified in writing prior to June 1st before the start of the academic year.

Non-Refundable Commitment (if contract is cancelled after August 31th)

If notice of cancellation is received by the school after August 31st as set forth above, it does not extinguish the contractual commitment to pay tuition for the entire school year, because the Academy must commit resources for the upcoming year based on anticipated enrollment as of the August 31st date. After August 31st, all tuition and fees are non-refundable. The persons signing this contract are obligated to make all payments due under this contract even if the student does not enroll, or does not complete the school year. Note: all Fees are non-refundable regardless of when notice of cancellation is given.

Term of Contract

This contract pertains to the 2020-2021 academic year. The Academy will issue a re-enrollment contract for each school year that the student is enrolled at Future Elite Academy.
